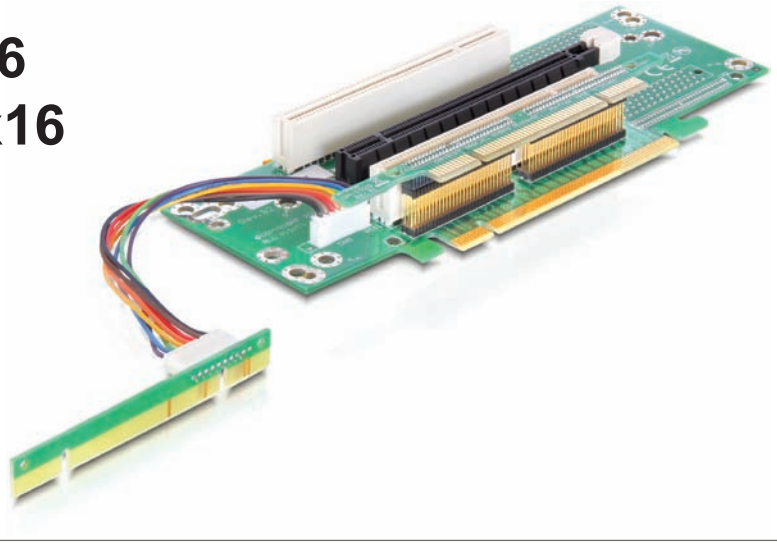
Riser card PCI Express x16 > 2x PCI, 1x PCI Express x16



Description

This Delock riser card allows you a horizontal installation of your PCI Express x16 card, and also extends your motherboard with two additional PCI 5 V 32Bit slots. Simply put the riser card onto the PCI Express x16 slot of your motherboard. Because of the space-saving horizontal installation the riser card is particularly suitable for application in 48.3 cm (19 inches) chassis with 2 height units.

Ref.	89151
EAN	404361989151
